Watershed Wide Cleanup at Kiwanis Memorial Park with Local Residents

City of Brampton Councillor Jeff Bowman, local residents and TRCA staff gathered at Kiwanis Park in Brampton to participate in TRCA's Watershed Wide Cleanup campaign.

In two hours the participants collected 15 bags of garbage weighing approximately 750 pounds.

Unique items found included shopping carts, propane tanks, car tires, a metal table and a child's dinosaur toy.

This volunteer contribution aids in preventing contaminants from entering nearby waterways, natural spaces and helps protect both human and wildlife health. Results of these efforts are essential in helping to protect biodiversity.
