

NOTICE OF CONSTRUCTION

East Don Trail Project—Phase 2

Start Date: September 2018

Completion Date: December 2019*

**Timeline is subject to change due to suitable weather and site conditions*

Toronto and Region Conservation Authority (TRCA) and the City of Toronto are constructing a 1.4 km asphalt multi-use recreational trail connecting with the existing East Don Trail at Wynford Heights Crescent to Wigmore Park off Elvaston Drive in Victoria Village. **The new trail will include:**

- . three permanent pedestrian bridges over the East Don River;
- . bank stabilization and site drainage improvements;
- . a boardwalk, resting nodes, benchfit, railings, way-finding signage, an underpass under the Metrolinx rail line;
- . paving, site restoration work and tree plantings

Construction work will involve:

- . installation of two temporary construction bridges;
- . temporary fencing, erosion and sediment controls;
- . tree removals and tree protection;
- . on-site storage areas.

What to expect during construction:

- . moderate dust, noise and temporary closures of existing informal trails;
- . residents should follow construction signs and directives around areas of construction to maintain personal safety;
- . the TRCA and City will not be responsible for damage to any privately owned items on public property.
