

DETOUR NOTICE

Estimated Timeline: October 2026 - Late November 2026

A small portion of the Port Union Waterfront Park multi-use trail will be **temporarily closed** for truck access to deliver stone material to the eastern project area. See the map for details on trail closure and detour route.

Please follow the detour route along the gravel trail.

Note that there will be occasional closures at the truck crossing locations. Staff will be present to ensure public safety during those times.
