

NOTICE OF CONSTRUCTION

Wilket Creek Erosion Control Minor Works Project

Start Date: October 2024 | **Completion Date:** December 2024*

**Timeline is subject to change*

Toronto and Region Conservation Authority (TRCA) is implementing remedial erosion control works along Wilket Creek within Windfields Park, in the City of Toronto. The objective of this work is to provide long-term protection to essential structures along the creek. Construction is scheduled to occur from October 2024 to December 2024*, with final site restoration to be completed in Spring 2025, as weather conditions permit.

Construction Related Information:

Work Hours: Monday—Friday, **7:00 am to 5:00 pm.**

For your safety, respect all signage. Stay clear of the work area & equipment.

There may be temporary construction related dust & noise during working hours.

Deliveries via Misty Crescent will occur periodically during working hours. Please obey all signage and directions from site personnel.

Restoration: Post-construction restoration tree and shrub plantings are planned for spring 2025.

We thank you for your continued cooperation & patience throughout the duration of this project.
