

GIBRALTAR POINT EROSION CONTROL PROJECT

And Lake Ontario Impacts to the Toronto Islands

Thursday, November 16, 2017
Harbourfront Centre – Brigantine
Room, 235 Queens Quay West

Open House: 5:30 p.m. – 8:30 p.m.
Presentations start at 6:30 p.m.

Join us! Toronto and Region Conservation Authority (TRCA) and the City of Toronto are hosting a public meeting for the Gibraltar Point Erosion Control Project, Class Environmental Assessment Addendum (Gibraltar Point Project). The meeting will also include information regarding the recent flooding on the Toronto Islands. Please join us to learn more about the Gibraltar Point Project, Lake Ontario impacts on the Toronto Islands, and provide feedback on the preferred Gibraltar Point Erosion Control design concept.

For more information on the Gibraltar Point Erosion Control Project please contact:
